

CLASSIC

Mark Sneed

TH and PHA Free
DOB: 8/29/2008
BW: 74 pounds
Polled • Purebred Maine

Sire: DCC Hard Drive
Dam: JJN Sierra 129M
(Digger x Check Mate)

SEMEN: \$25

Classic combines the old school genetics of Epinal and Tidalwave in a modern package look. If you want calves that are stout boned with good feet and legs, powerfully muscled in a medium frame size, then classic is the bull for you! Look at his breed on predictability.

Classic calves are on the ground, have been light birthweight, and look tremendous!
